Print the [Girlfriends Template](#) at the end of the pattern for help with embroidery alignment.

STEP ONE: **PREPARING THE** **EXTERIOR PIECE**

Place the 3 1/4" x 11 1/4" of **Fabric B** on a flat surface. Place a strip of Wonder Tape along one long edge. Peel back the paper to expose the sticky. Align the 12" piece of rick rack on the long edge of the Wonder Tape. Substitute fabric glue for Wonder Tape if desired.

**Align Rick Rack Along
Edge of Fabric**

Place one 8" x 11 1/4" piece of **Fabric A** on a flat surface. Align the edge of **Fabric B** with the rick rack along the long edge of **Fabric A** RST; pin.

Sew with a 1/4" seam allowance. Press seam open.

Attach the remaining 8" x 11 1/4" piece of **Fabric A** along the other long edge of **Fabric B** (without rick rack) RST using a 1/4" seam. Press. Note that the rick rack will be on the right piece of **Fabric A** only. This will now be known as the joined piece.

Fuse the 18" x 11 1/4" piece of Décor Bond to the wrong side of the joined piece according to manufacturer's instructions.

Use the template at the end of the pattern to align the embroidery design in a pleasing manner on the right side of the joined piece with the rick rack. Mark the cross hairs using a Frixion marker.

STEP TWO: EMBROIDERY

Hoop a piece of Sticky Stabilizer in the 5" x 7" hoop. Score the top piece and remove the paper to expose the sticky.

Once embroidery is complete, remove hoop from machine. Clip all jump threads. Gently detach the joined piece from the hooped stabilizer.

STEP THREE: ASSEMBLING THE INTERIOR FLAPS

Fold one long end of each 11 ¼" x 5" piece of **Fabric B** under a ¼" and topstitch to conceal the raw edge.

STEP FOUR: PUTTING IT ALL TOGETHER

Place the joined piece on a flat surface. Place one interior flap on each end of the joined piece, RST. Align raw edges; pin.

Center the 13" x 11 ¼" piece of **Fabric B**, face down (right sides against wrong side of interior flaps) on top of the interior flaps and the exterior piece.

Pin to secure all layers together.

Sew around entire perimeter with a scant ¼" seam allowance. Clip all four corners.
