

Needle Know How

- Locate the needles you have in your sewing room and take a picture of them
- After watching today's video, determine what needle you think you will use most often in your future sewing projects and post this in the comments.
- Also tell us if there is a needle you will be adding to your sewing supplies in the future.
- Post your picture and comments in the facebook group.

Day 3 BluePrint

1. COMPLETE THIS BLUEPRINT.

Reading this Blueprint isn't enough to to change your results. You CAN get the results you want by taking the time to do this exercise now, understand it and internalize it so this skill will be ready to use in future.

2. POST YOUR PICTURE IN THE FACEBOOK GROUP

Needles preferences vary greatly. There are so many factors to consider, and definitely more than one right answer.

3. POST OUR COMMENTS IN THE FACEBOOK GROUP

I am looking forward to seeing everyone's needle collection and what your preferences are as you complete this BluePrint!

4. Update your GPR-S

5. Most importantly....enjoy the process!
